

Champions for Cultural Change

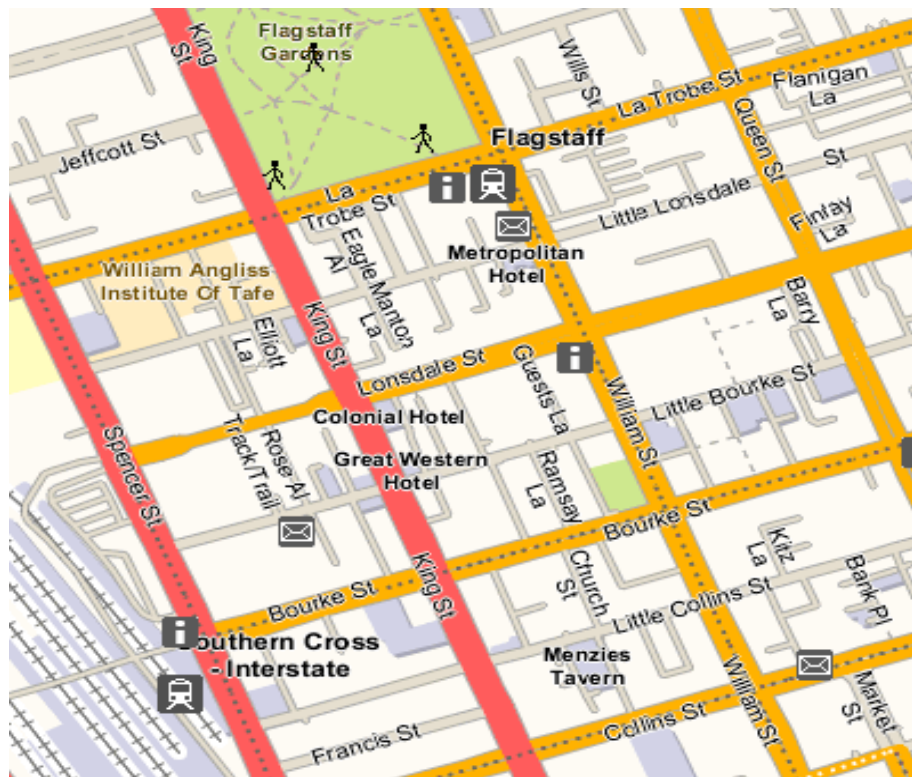

Monday, 26 October, 10am-4pm, 2009

William Angliss TAFE, Melbourne

Kinect Australia is facilitating an important forum for leaders in the promotion of walking and walkable environments in Australia. The forum is being held in conjunction with the 2009 Walktober campaign (www.walktober.com.au) and aims to contribute to shaping directions and continuing to build momentum for future, national walking development. It is intended that a number of key presenters will provide short presentations to assist in providing context for facilitated discussion.

GETTING TO THE VENUE:

William Angliss Institute is located at 555 La Trobe St, Melbourne, on the corner of King St and La Trobe St. The venue is easily accessed by train and tram. Limited car parking is available near the venue and throughout the area. Please allow extra time for parking and finding the venue. See Theresa upon arrival for bicycle parking.
